# FRAGRANCE

## NATURALS

---

### FLEUR 'D ORANGER

A burst of sunshine in a bottle. This vibrant 100% natural fragrance kicks off with the fresh, zesty notes of orange blossom, blending effortlessly with a touch of citrus that gives it an energizing twist. It's like walking through a sunlit orchard in full bloom, where the air is alive with fresh, floral sweetness. The scent settles into a smooth, warm base of soft musk and light wood, adding a touch of depth without losing its playful charm. Fleur d'Oranger is fresh, lively, and ready to brighten up your day with a little extra spark.

### ORANGE BLOSSOM & MINERAL AMBER

I feel fresh-out-the-shower, powdery-clean. An elegant fragrance that will make you feel beautiful and graceful, ready to shine all day. I smell like a delightful cup of tea on a late-summer afternoon. I am sweet like honey and vanilla, floral like violet, and fresh like ginger. A warm fragrance that suits every body.
